

FROM the DIRECTOR:

Summer is in full swing! (As much as we can) I believe the children are having a blast! We will continue to drop off and pick up at the door. Your children are doing great walking down the hall and washing their hands. Our older children are learning more about social distancing each day. Our Teachers are stressing to stay out of each other's face. I am so thankful that we are all staying well. We have not scheduled any activities away from the Center. Please remember to bring a towel on Water Slide Day.

Our Fall enrollment is going great for the CDC. We still have several openings in our Academy (Grades K5-4th Grade). Mark your calendar for the OPEN HOUSE, August 20. School starts August 24.

We can see God's hand on all we do. I praise God for all of you. Your child is doing great with all these changes. Continue to PRAY for the staff and all our Families.

If you have any questions or concerns, please let me know.

Academy Parents, Summer is finally here! I hope you are getting to spend some extra family time with your kids. Aleigha and I are having a great time at home. We are staying home and playing with our six puppies. They are a mess. I hope you are remembering to listen to your child read. It is important for your child to read every day. I am looking forward to the new school year in August. I cannot wait to meet my new kids! I also cannot wait to see all my kids that are staying for first grade. Have a great summer.

Mrs. Karen Garner
3RD & 4TH Grade Teacher

I hope everyone is enjoying their summer so far. I am so extremely excited for this upcoming school year!!!! I am already planning and waiting for our material to arrive so I can have everything in place and ready to go. Last year was a challenge but I plan to pick up where we left off and move forward. It is going to be an amazing 2020/2021 school year. I am going to return to help tutor for a couple days a week in July. I believe this will help your children to get a little bit ahead of the game for August. God has answered many prayers for this upcoming year – please continue to pray for our children, teachers, and Mrs. Jeana. We will get through all of this as a team.
